

TimberPine has expanded it's Nursery Irrigation Division and is now offering **Professional Irrigation Services** to our customers. TimberPine's reentry into **Commercial and Residential** irrigation is due to overwhelming customer demand. Our customers know they can expect **exceptional quality, responsive customer service and timely project implementation** from TimberPine. Our farm has nearly 5 miles of irrigation lines that feed water to over 30,000 trees and plants each day. **We are confident that we will take care of your lawn and landscape just like we take care of our own.** Please contact for a quote or to schedule your annual maintenance or service.
